Zultys Inc. and TriTel Networks, Inc. Announce Strategic Partnership

Companies Team Up to Deliver Best-In-Class Zultys IP PBX Solution

SALT LAKE CITY, UT – June 29, 2010 – Zultys Inc., the premier developer and manufacturer of pure SIP-based Unified Communication solution for business and enterprises, today announced the formation of a strategic partnership with TriTel Networks, Inc.. The companies have aligned in order to distribute and promote the popular Zultys VoIP PBX.

"TriTel Networks is an excellent match," said Steve Rothenberg, CEO of Zultys. "TriTel Networks always wants to provide their customers a competitive advantage while increasing their profitability. They found the solution with Zultys. They've demonstrated that they are a high performing organization that offers world class service to their customers."

As a leading provider of Unified Communications solutions, TriTel Networks offers an array of technology that helps their customers achieve their strategic business objectives. Now an authorized dealer for Zultys Inc. products, TriTel Networks will drive SIP IP PBX sales in the region.

Zultys Inc. offers industry leading communication flexibility through powerful features [voice, IM, Email, presence, find me–follow me, call recording, contact center, voicemail and multi location networking] designed to boost productivity, reduce complexity, ease administration, reduce costs and provide high availability. The solution has become priceless to telecommuters and remote workers.

Zultys Inc. received the 2009 Innovation Award from TMC's Next Generation Networks as well as being named by Unified Communications magazine as a recipient of the 2008 Product of the Year Award.
